Say It, I'll Point

Say the word with the star. Your grown-up points to the one they hear.

 bread	 ★ bed
 ★ tree	 tea
 ★ no	 snow
 top	 ★ stop
 ★ nail	 snail

If you hear "tea" for "tree": point to the tea and smile. "Oh, tea! Can you say tree?" Respond to what you hear, then say the word for them. Do not say "No, that's wrong." Hearing the mix-up teaches the missing sound.
