Say It, I'll Point

Say the word with the star. Your grown-up points to the one they hear.

 nail	 ★ snail
 stop	 ★ top
 ★ bed	 bread
 ★ snow	 no
 tea	 ★ tree

If you hear "tea" for "tree": point to the tea and smile. "Oh, tea! Can you say tree?" Respond to what you hear, then say the word for them. Do not say "No, that's wrong." Hearing the mix-up teaches the missing sound.
