

Name _____

Date _____

Write the four facts

Use the three numbers to write two adds and two takeaways.

The big number goes on its own side of the equals sign.

1.

13	
1	12

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$

2.

12	
3	9

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$

3.

15	
6	9

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$

4.

20	
3	17

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$
