

Name _____

Date _____

Write the four facts

Use the three numbers to write two adds and two takeaways.

The big number goes on its own side of the equals sign.

1.

18	
5	13

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$

2.

20	
5	15

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$

3.

17	
7	10

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$

4.

20	
8	12

$$\square + \square = \square$$
$$\square + \square = \square$$
$$\square - \square = \square$$
$$\square - \square = \square$$
