## Shapes all around us

Every solid shape has a name, and you see them every day.

**Sphere**  
like a ball

**Cube**  
like a dice

**Cylinder**  
like a can

**Cone**  
like an ice cream

1. Look at the six pictures on each page.
2. Decide which ones match the shape at the top.
3. Circle only the ones that match. Leave the rest.
