What is the weather?

The weather tells you what the sky is doing today.

**sunny**

The sun is out.

**rainy**

Water falls from the clouds.

**snowy**

White flakes fall.

**cloudy**

The sky is gray.

**stormy**

There is thunder and lightning.

The weather can change during the same day.
Look out of the window. What is the weather right now?
Rain and snow both fall from clouds.
Keep a weather chart for a week and see what happens.
