

Name _____

Date _____

Think addition

What do you add to the small number to get the big one?

1.

$$13 - 5$$

turn it around

>

$$5 + \square = 13 > 13 - 5 = \square$$

2.

$$16 - 9$$

turn it around

>

$$9 + \square = 16 > 16 - 9 = \square$$

3.

$$12 - 3$$

turn it around

>

$$3 + \square = 12 > 12 - 3 = \square$$

4.

$$14 - 8$$

turn it around

>

$$8 + \square = 14 > 14 - 8 = \square$$
