

Name _____

Date _____

Think addition

What do you add to the small number to get the big one?

1.

$$15 - 8$$

turn it around

>

$$8 + \square = 15 > 15 - 8 = \square$$

2.

$$11 - 2$$

turn it around

>

$$2 + \square = 11 > 11 - 2 = \square$$

3.

$$17 - 9$$

turn it around

>

$$9 + \square = 17 > 17 - 9 = \square$$

4.

$$13 - 7$$

turn it around

>

$$7 + \square = 13 > 13 - 7 = \square$$
