Say It, I'll Point

Say the word with the star. Your grown-up points to the one they hear.

 bat	 back ★
 tub ★	 cub
 net	 neck ★
 tea ★	 key
 tape	 cape ★

If you hear "tea" for "key": point to the tea and smile. "Oh, tea! Can you say key?" Respond to what you hear, then say the word for them. Do not say "No, that's wrong." Hearing the mix-up teaches the k sound.
