Say It, I'll Point

Say the word with the star. Your grown-up points to the one they hear.

 tub	 cub ★
 cape ★	 tape
 net ★	 neck
 tea ★	 key
 bat	 back ★

If you hear "tea" for "key": point to the tea and smile. "Oh, tea! Can you say key?" Respond to what you hear, then say the word for them. Do not say "No, that's wrong." Hearing the mix-up teaches the k sound.
